

MAKE YOUR OWN BEGIN BRIGHT CUTIE CUBE!

1. **Cut:** Cut out your cutie cube following the dashed lines. You can also cut out the head of the Begin Bright character – ask an adult to help you with this part.
2. **Fold:** Fold on the bold lines and glue tabs as indicated
3. **Glue:** Put glue down the entire length of the glue tab. Shape the sides into a box shape and glue the tab to the inside of the last side – you can use double sided tape in place of the glue.
4. **Pass it on!** Pass on your extra cutie cube for your friends to make. You can then stack your cutie cubes on top of each other to create a big tower!
