

DIY PAINT

What you'll need

- Mixing bowl
- Food coloring
- 1 cups flour
- 1 cups Salt
- 1 cups water

Instructions

1. In a mixing bowl, combine even parts of water, salt, and flour.
2. Pour into jar or bottle.
3. Add food colouring to desired colour.
4. Shake or mix to combine.

You can adjust the quantities to make more or less paint as required.
